New Knoxville High School

Foreword

This book is presented as a portrayal of our school life here at the New Knoxville Village School. Like all books of this type it reveals our ambitions, efforts, accomplishments, and perhaps a few disillusionments. We have tried to provide adequate representation for all phases of school life so that this Memoir will meet with the approval of the New Knoxville students, faculty, and community.

The journal club is composed of the students of the English 12 and Typing II classes. The English class, with Janice Aufderhaar as editor and Mrs. Haberkamp as advisor, wrote the material, while the typing class, with Jane Henkener as production editor and Mr. Hoover as advisor handled the typing and printing of the "Ivy Log".

The "Ivy Log" is a new kind of school publication, combining the functions of a newspaper and literary journal. Eight issues were published during the year, with a circulation of 250 copies; each issue with approximately 60 pages.

Photography Club

The photography club, with Mr. Hoover as advisor, has made much progress during this, its second year.

This is evidenced by the pictures in this 1957 Memoir, most of which were taken, developed, and printed by the members of the club. In addition some pictures had to be enlarged, some had to be cut, and others reprinted.

In order to raise funds for equipment, the club sold pictures of school activities and parties to the students.

We wish the club continued success in the coming years.

The New Knoxville Chapter of the Future Farmers of America had a membership of eighteen - four freshmen, nine sophomores, three juniors, and two seniors.

Some of the outstanding activities were attending and showing projects at the county and State fairs, a pest hunt, attending camp, a judging contest, and banquet at which Miss Jean Gritzmaker was chosen F. F. A. Chapter Queen.

We participated in the F. F. A. Foundation Program which consisted of such activities as public speaking contest, Flying Farmer Contest, highway safety, and community service.

These Home Economics II students presented a style review at the January P. T. A. meeting.

During the 1956 - 1957 school year the New Knoxville High School Chorus consisted of eighty-two members. The chorus, under the capable direction of Mrs. Edith Wissman, had a successful and active year.

On December 16, 1956, the chorus and band presented the annual Christmas concert which was greatly enjoyed by the large audience in attendance.

On April 12, 1957, the chorus presented its annual spring concert.

Several members of the chorus participated in the music festival held at Delphos, Ohio, on February 2, 1957.

The chorus also gave selections at the Baccalaureate and Commencement exercises.

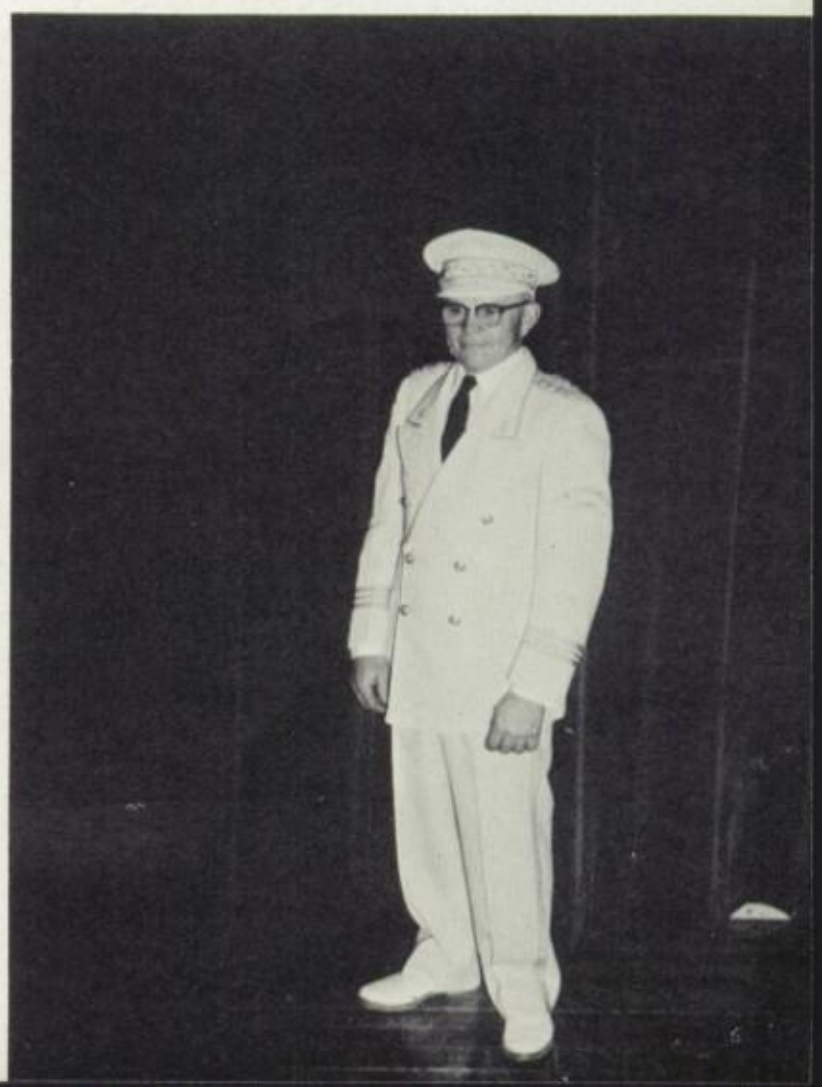
Mr. Carl Frische, Director



The New Knoxville School Marching Band had a membership of forty-nine this year. Some members also played in the Concert Band or in the Junior Band.

This is the sixth year that Mr. Carl Frische has been the capable director of our band.

Last summer the band gave a fine outdoor concert at Ranger Field. The band also took part in the activities at the Auglaize County Fair, the Ohio State Fair, and Wapakoneta's Halloween Festival. At the Wapakoneta St. Joseph basketball game the band gave another fine performance.

At Christmas the band participated in a combined band and chorus concert and then gave its annual spring concert in March.

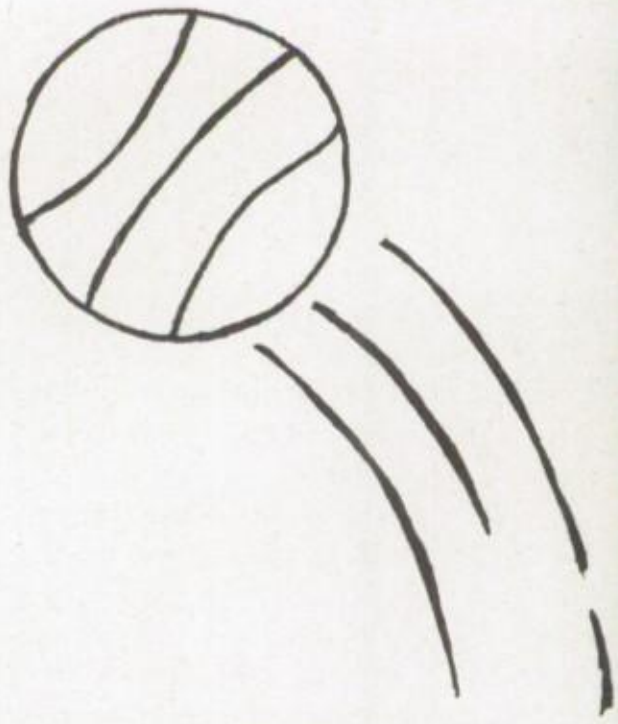
Varsity 1956-57 Season



As Coach Borkosky started his coaching career, he was faced with the problem of filling the four positions vacated by the previous year's graduating lettermen.

However, we did wind up with a ten win and nine loss record. Considering the insufficient height and lack of experience this record is not too bad.

In the county league we were fortunate to pull through to win two of five games.

December 27 and 28 we were hosts of a Holiday Tournament. The first evening the Rangers met Lakeview and downed them 65-57 while Botkins defeated Marion Twp. 38-36.

The second evening the two losers met in the early game, Lakeview winning 60-48. The winners vied for the Championship in the finalle and the Rangers won by a score of 46-31. Both the Rangers and Botkins received trophies.

County Tournament

New Knoxville drew a bye in the same bracket as the League Champs, New Bremen. New Bremen defeated Buckland the first night and then advanced to the Rangers and defeated them 75-55. This game closed the basketball career for the four boys of the class of 57.

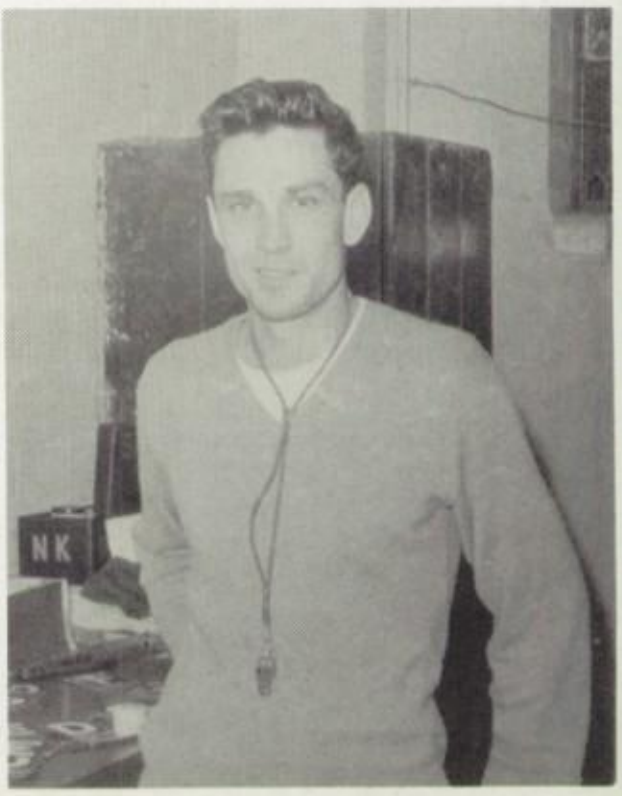
Coach Borkosky

This is Coach Glenn Borkosky's first year as a member of the New Knoxville faculty. Already he has become well-liked by the students and faculty members. His coaching duties include Junior High, Reserve, and Varsity basketball as well as baseball. For his first year of coaching he seems to be doing a splendid job. We hope he can be with us for many years in the future.



Varsity Cheerleaders

Who are those lively, pretty girls who uphold the morale of the team? They're none other than our cheerleaders. They're the girls who can raise the voice of the crowd in a cheer for the team. They also are a controlling factor in the sportsmanship shown by the fans. We're sure that all the fans and players realize the wonderful work the girls are doing on a job that's such a necessity.

Basketball Managers

Here's a group of boys that can usually be found when they aren't needed. When they're needed desperately, though, they can't be scared up by waving a dollar bill. However, we must admit they do their share of work in the equipment room and at ball games. They have to hang up suits, shine balls, keep the records up-to-date and perform a few other odd jobs. We're sure the coach considers himself fortunate to have these managers.
